The Deputy Director of Central Intelligence

Washington, D. C. 20505

Executive Registry
83-45-07

15 September 1983

NOTE FOR: Chief, NE Division

Larry Eagleburger briefed the Operations Subcommittee of the Appropriations Committee and Congressman Bob Livingston from Louisiana, who had been

briefed by us earlier

had a number of questions which Eagleburger said he was not equipped to answer. He promised Livingston that he would get someone to close the loop with him.

Eagleburger is sending over those questions. When I get them I will pass them on to you. I would like for you either to call Livingston and give him the answers or go down and talk with him.
